

“I AM SPECIAL TO GOD”

“Before I formed you in your mother’s body I chose you. Before you were born I set you apart to serve me. I appointed you to be a prophet to the nations.”

Jeremiah 1:5 NIRV

God may not appoint you to be a prophet as he did Jeremiah, but He has appointed you to do something for Him. You may not know yet what that is, but as you learn more about God and grow in your relationship with Him, at just the right time He will let you know what it is. He will fill in that blank.

Did you see (in that verse) that even before your dad and mom knew that you would be a part

of their family that God chose you?  Wow! Isn't that something? That is pretty special!

There is another verse in the Bible about how God planned and chose you long before you were born. In your Bible, find Psalm 139:13-15 and read those verses. Write down some things God said about you.

God made you, formed you, put you together. There was NO part of you that was hidden from God, and there is still no part of you hidden from God. You are God's very special design. There is no one else like you. You are like a very special pattern that is designed with a lot of beautiful colors.

Below, you will see a design pattern. It needs special colors to make it unique and complete. Can you make a special design and let this be a reminder of the special design that you are? Everyone's design may look different just as your Creator God does when He planned for your unique design.
