

REQUIREMENTS FOR SERVICE

(Adapted from “Who Am I?”...Following The Path To My True Identity
By Sharon Winkler)

We are ALL called to the Master’s service...He has an appointment for each of us. Looking through the Scriptures, there are references to requirements for His service. Not only is it good to know what the requirements are, but it is advantageous to take a look at these from time to time to see how we are doing....are we maintaining the right perspective in our service and not “getting off” the wrong path.

The following is a “bookmark” that can be printed out and laminated to place in your Bible or some other place where you can refer to it from time to time.
